## Q: What should I do if we cannot attend a session?

A: There is no need to contact us if you cannot attend a session.

## Q: What is your weather policy?

A: Our program runs rain or shine. In the event of severe weather (thunder, lightning, torrential rain, or unplayable field conditions), we'll typically email all registered parents and coaches at least one hour before the start of the day. Please check your email before heading to the field. If severe conditions occur during play, a 30-minute evacuation will take place. Play will resume if conditions improve; otherwise, the session will be canceled. While we'll make every effort to reschedule, it may not always be possible.
