

Grand Island Soccer Club Travel Uniforms

Grand Island Soccer Club uniform kits are worn by travel players for a two season cycle. Players are required to purchase a uniform kit at the beginning of that two season cycle and will wear their kit for two seasons.¹ 2021 begins the first year of our two season cycle.

Players will receive an email from the club when the uniform purchase window opens. Players are required to purchase all of the items in the kit. Uniform items can be purchased individually through the club website at gisoccerclub.org/uniforms and include:

- (1) main jersey
- (1) alternate jersey *
- (1) pair shorts
- (1) pair socks

Grand Island Soccer Club is switching from Adidas to Nike uniforms for the 2021-2022 seasons. Complete kits are under \$100 and all items are sold at cost with no mark up.

*There is no change to the alternate jersey this cycle. If you have an alternate jersey in new condition, are not changing numbers, and it still fits, you do not have to order a new alternate jersey.

Please note:

- Coaches will assign player numbers
- You should not place an order until your player number has been assigned
- The club will not be responsible for uniform replacement if you order a uniform without receiving a player number from your coach
- A sizing chart is available on the order page
- You should account for two years of wear when ordering sizes
- If a player outgrows their uniform they will have to purchase another – order a size up if you are unsure

Optional branded club apparel can be purchased through our club website at gisoccerclub.org/spirit-wear and include:

- Hats
- Sweatshirts and t-shirts
- Other items

Optional apparel items are available to purchase year round. All uniform items and apparel will be shipped directly from the supplier to you.

¹ Given the unique circumstances of COVID-19, Grand Island Soccer Club recognizes the financial hardships that many in our community may be facing. We also recognize that some returning players may have purchased a new uniform kit for the 2020 season and never had the opportunity to wear it. That said, we are making an exception to our uniform policy for the 2021 season. If a returning player has an Adidas uniform in **new condition** we will allow that uniform to be worn for the 2021 season only. We hope this exception is welcomed and of help to you during these unusual times.
